

SUGGESTED ITEMS TO BRING

When attending the Apex Camps Sunshine Coast School Holiday Program, please take note of the following.

PLEASE WEAR:

Comfortable clothes, sneakers and a hat (not your best ones!). It is also advisable to wear a hair tie if your hair could get in the way. Please do not wear skirts or jewelry.

PLEASE BRING:

Water bottle, sunscreen, insect repellent and a raincoat (if wet weather is expected). If you have not purchased morning tea/lunch, please also remember to bring a high-energy lunch!

FOR WATER/MUD RELATED ACTIVITIES, PLEASE ALSO BRING:

Bathers, towel, plastic bag and a change of clothes

IMPORTANT

All activities run even in wet weather. If the conditions are too poor i.e. lightning, we run an awesome wet weather program with activities such as indoor archery or catapults, slime and kite making, our very popular 'minute to win it', fencing and more - the kids often have more fun with these activities than anything else!
